over night—we want you to make use of it.

Bring your trading stock in—and sell or trade. Bryan's merchants' stocks are complete and we invite you to come and inspect them.

To advertise this Trades Day and get it prominently before the people, and also to direct the attention of the people toward Bryan as a trading point and as a market for all farm products, the business men, under the auspices of the Commercial Club, have arranged for two boosting trips through the surrounding country in the near future. The trips are to be made by automobile, and it is going to take the full cooperation of all the people to make them successful. If they are but half done, it will be worse than if not done at all. The business men of the town must be willing to leave their business and go, and the owners of automobiles must be patriotic enough to tender the use of their cars. It will take all this and more, to make the trips what they should be. Mr. Citizra, can you be depended upon to do your part?

#### UNSHAKEN TESTIMONY.

Time is the test of truth. And Doan's Kidney Pills have stood the test in Bryan. No Bryan resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

L. B. Kern, 109 Main St., Bryan, says: "I had such sharp pains in my back that I could hardly sleep, and I couldn't get any comfort. My kidneys were too frequent in action. I used Doan's Kidney Pills and the sharp pain in my back soon went away and I could sleep better. I was also again able to control the action of the kidneys."

The above statement was given on May 23rd, 1908, and on June 21st, 1915. Mr. Kern said: "I have had no occasion to use Doan's Kidney Pills since they cured me."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kern has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
